

A deep space photograph featuring a vast field of stars of varying brightness against a black background. A large, ethereal blue nebula with wispy, cloud-like structures is the central focus, partially obscuring the stars behind it. A particularly bright star with a four-pointed diffraction pattern is located within the upper right portion of the nebula. The overall scene conveys a sense of cosmic wonder and the vastness of the universe.

Do you believe it, we have
finally made it! BITCHIN!!
I'm glad we've been good
friends since Sophomore
year, You central girls + us
T.L. girls, and the things
we all said about each
other. You'd never believe we
would all end up best-friends
and buzz buddies. All the
parties + dances have been
totally excellent. (When I
wasn't in good ole half moon

bay) I wish
you all the
luck in the
world with
Roger doger,
and your
future. Have a
GREAT TIME IN
HIAWAI! I know
you will.

Like a star in a galaxy, we too are
only one among many. We want
desperately to be recognized but
pretend to be content playing along
with everyone else.

"Follow the crowd," they say, and
we do for fear of being rejected. We
go on in this way, conforming to the
ways and wishes of others until one
day we realize "Hey, I'm me, an
unique individual — and that's
okay."

It's only after we discover this
that we can truly put into perspec-
tive our role in society: we are only a
part, yes, but an important part.

Each of us has been blessed with
some gift, some talent, that we can
share with others.

Like the stars forming the con-
stellations, each of us has his or her
place; without us there's an empty
space.

Though we may not always be the
one shining brightest, we must re-
member each of us is important,
and **EVERYONE'S A STAR.**

To stand alone or to be part of a crowd is an experience everyone goes through at one time during his or her life. Throughout life, one must struggle and learn how to accept new challenges of every day. Our uniqueness must shine through to help us grow.

Belonging to a group is a goal one strives for, yet one also wants to be his or her own person, an individual.

The feeling of being a shining star in a lost galaxy is the feeling one gets every so often. Strength is the key to open the door to allow oneself the freedom to be oneself.

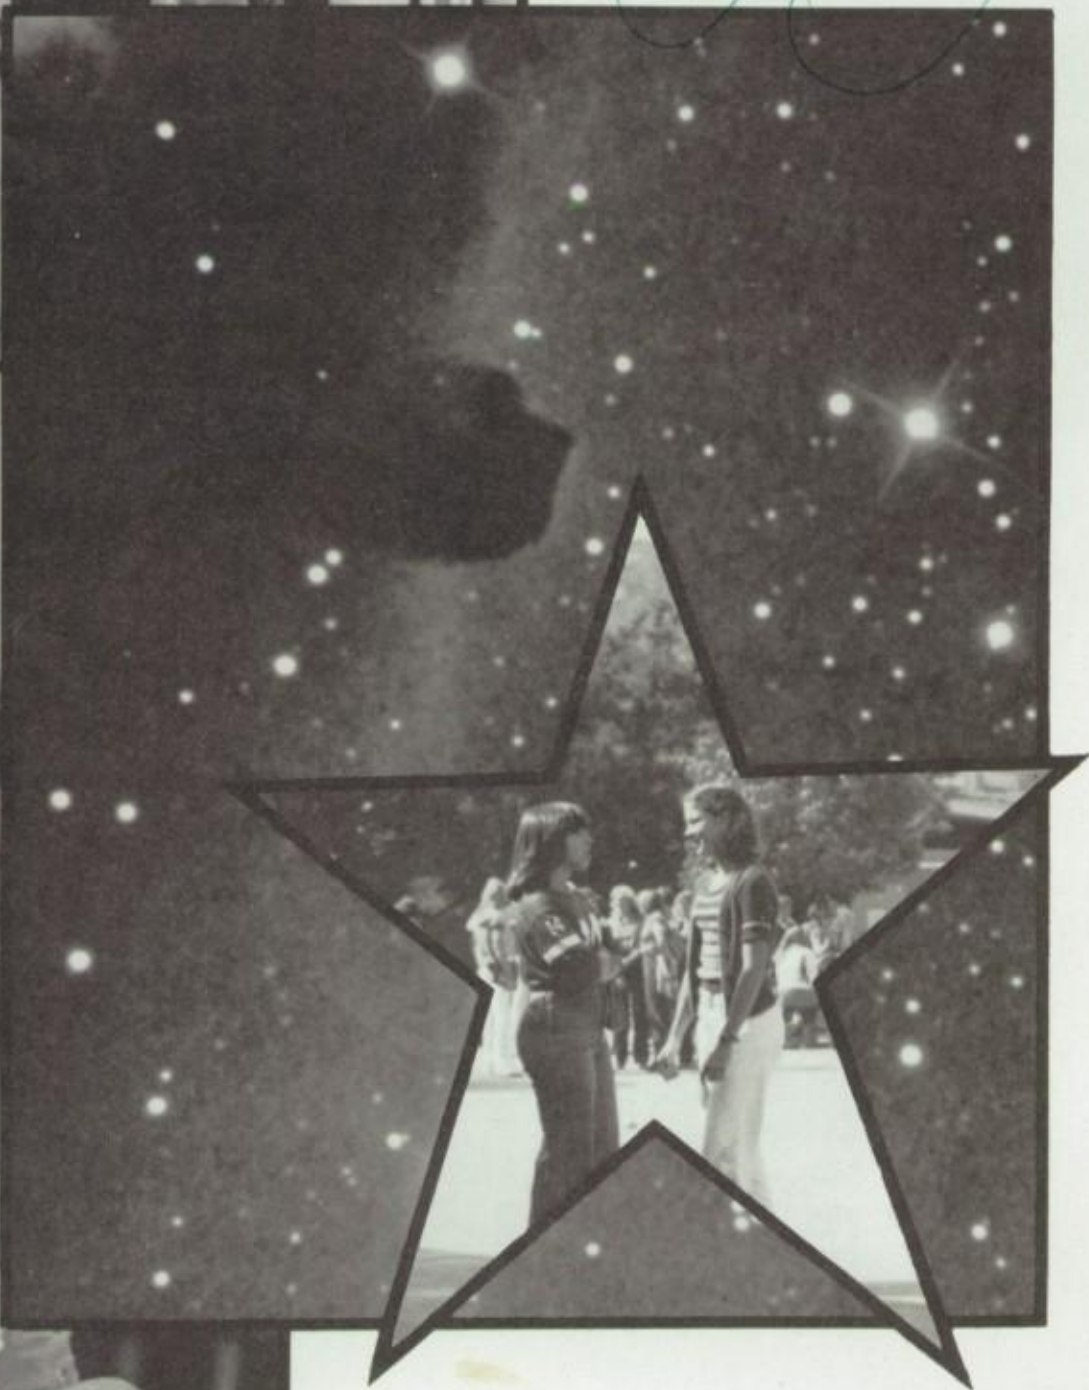

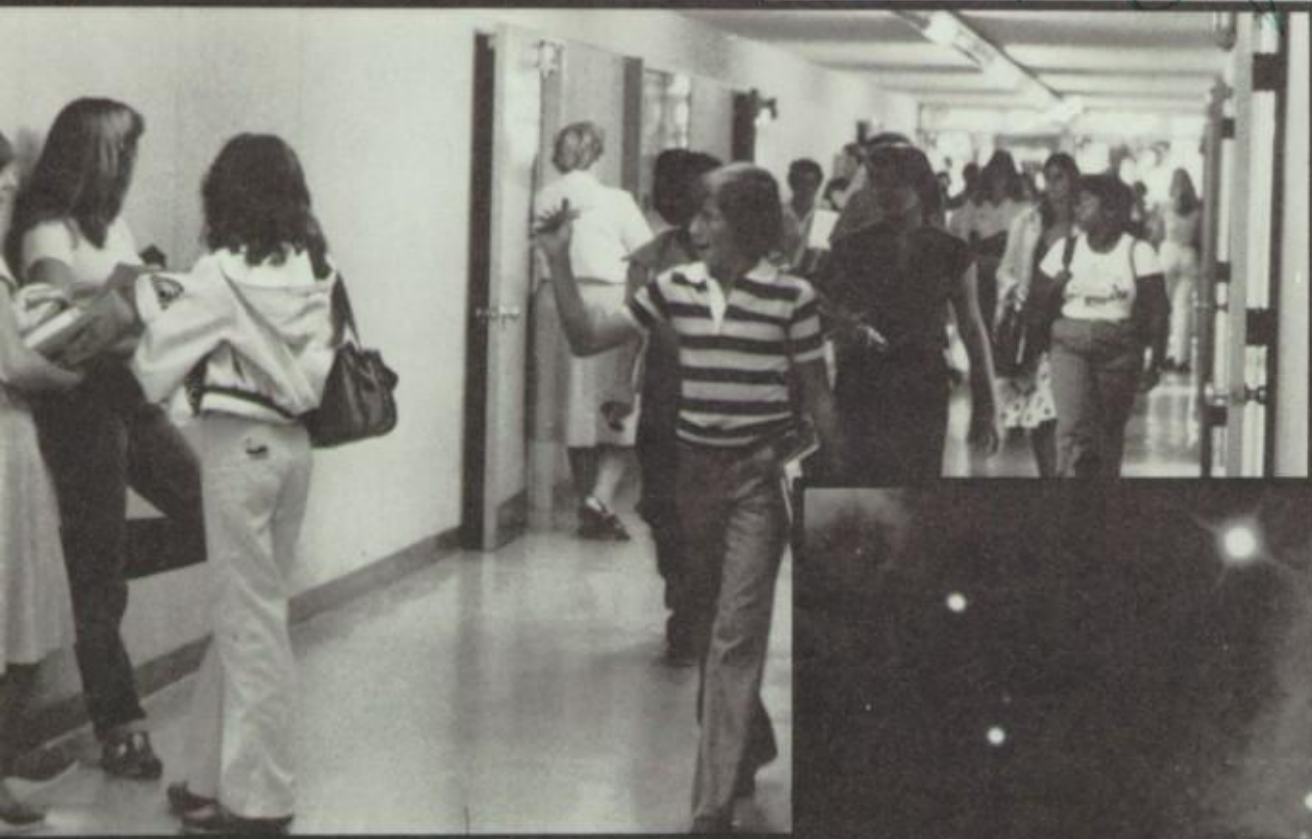

The views of each person prove how we each are unique in our own way. Yet we each are part of a group. Through our senior section, each senior is dressed alike but through the squares each senior shows his or her individuality.

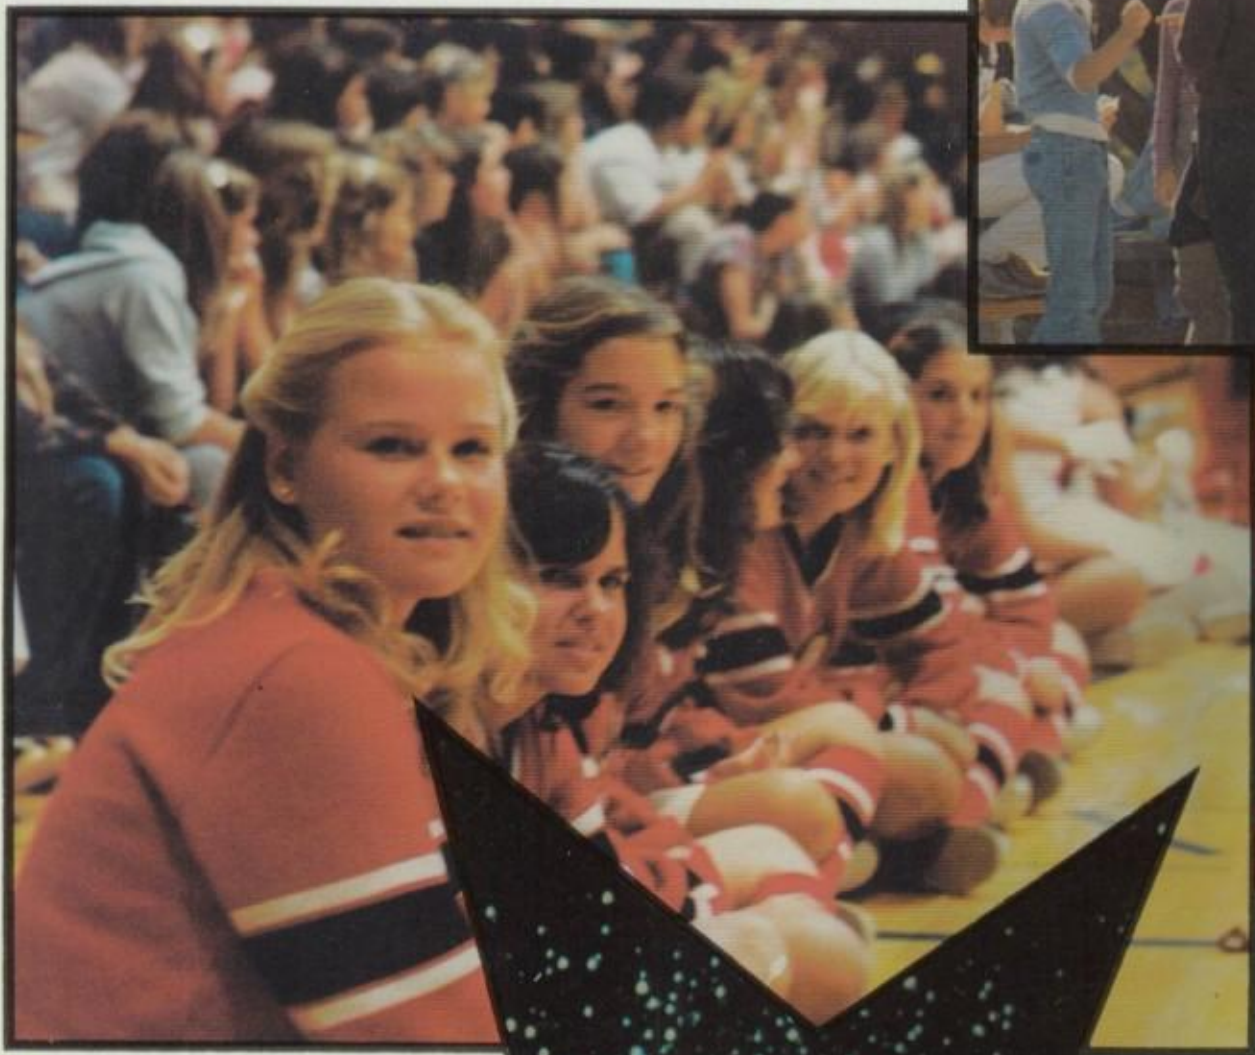

-Karen Woolf

Kathi,
 feels like I'm writing
 to myself. Shows how
 unique our name is. I really
 didn't get to talk to you that much
 as I did Jodi. Oh well have an
 excellent future. I'll probably a

Anybody can become angry —
that is easy; but to be angry with the
right person, and to the right de-
gree, and at the right time and for
the right purpose, and in the right
way — that is not within every-
body's power and is not easy.

I hope you had a excellent time

Have fun on graduation day and

your diplomas. See ya & good luck

TO ALL OF MY FRIENDS:
all the days I thought
could never end are gone.
All the days that seemed so
far away have passed.
All the loves I thought
would last forever
have died.
So many happy moments
are now happy memories.
But.... I still have tomorrows
filled with the hope of things
to come.
I LOVE YOU ALL! thanks

To sit on rocks, to muse o'er flood and fell;
To slowly trace the forest's shady scene,
Where things that own not man's dominion dwell,
And mortal foot hath ne'er or rarely been;
To climb the trackless mountain all unseen,
With the wild flock, that never need a fold;
Alone o'er steep, a roaming calls to learn;
This is not solitude: 'tis but to hold
Converse with Nature's charms, and
view her stores unrolled.

To all Gods Children
To try to make it in life, we must learn, but to learn we must study, therefore in order to study, we must be taught, and to be taught we must listen. Stay in school, get your education & be someone you & your parents can be proud of.

SENIOR CANDIDS

GRADUATING CLASS OF 1981

Posters, beer kegs, skis, and other properties brought by seniors were excluded from the class

farewell group portrait

when they gathered in the courtyard last January.

Insisting upon a more traditional picture, Principal Richard Genasci rejected not only the drug and alcohol related posters, but also nearly all other forms of personal property in the annual portrait.

Some seniors agreed that the props had gone beyond good taste. Others protested the ban, insisting that the paraphernalia reflected

senior spirit and individuality.

Last year's class picture appeared in the yearbook with many of the personal props and messages painted out. The current class picture appeared in the yearbook with many of the personal props and messages painted out. The current class picture appears as it was taken.

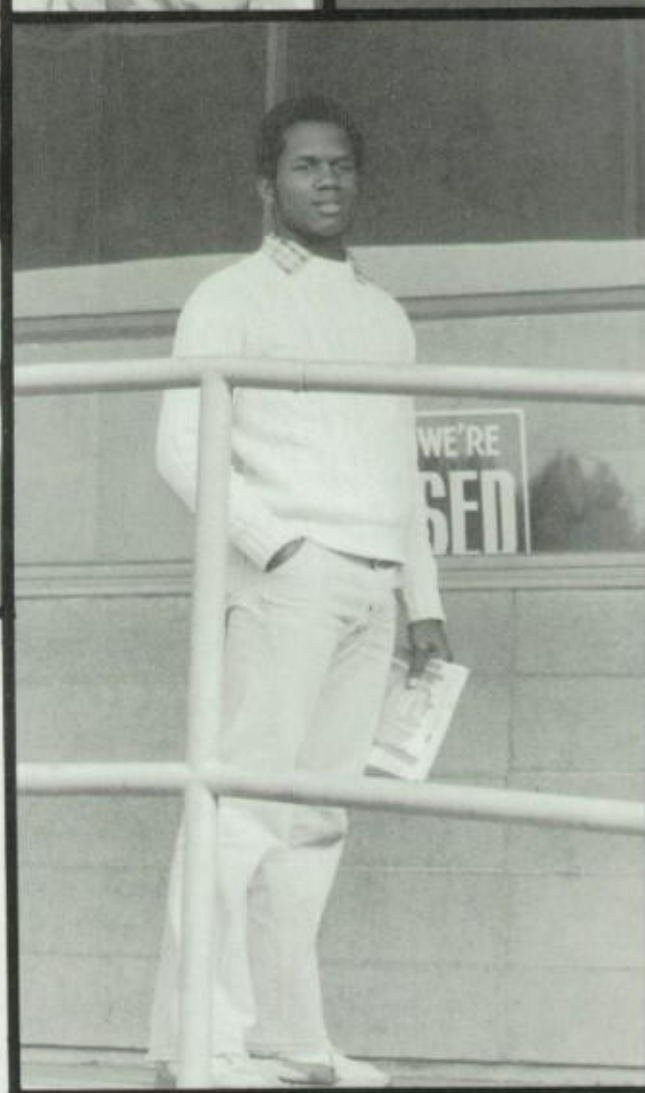

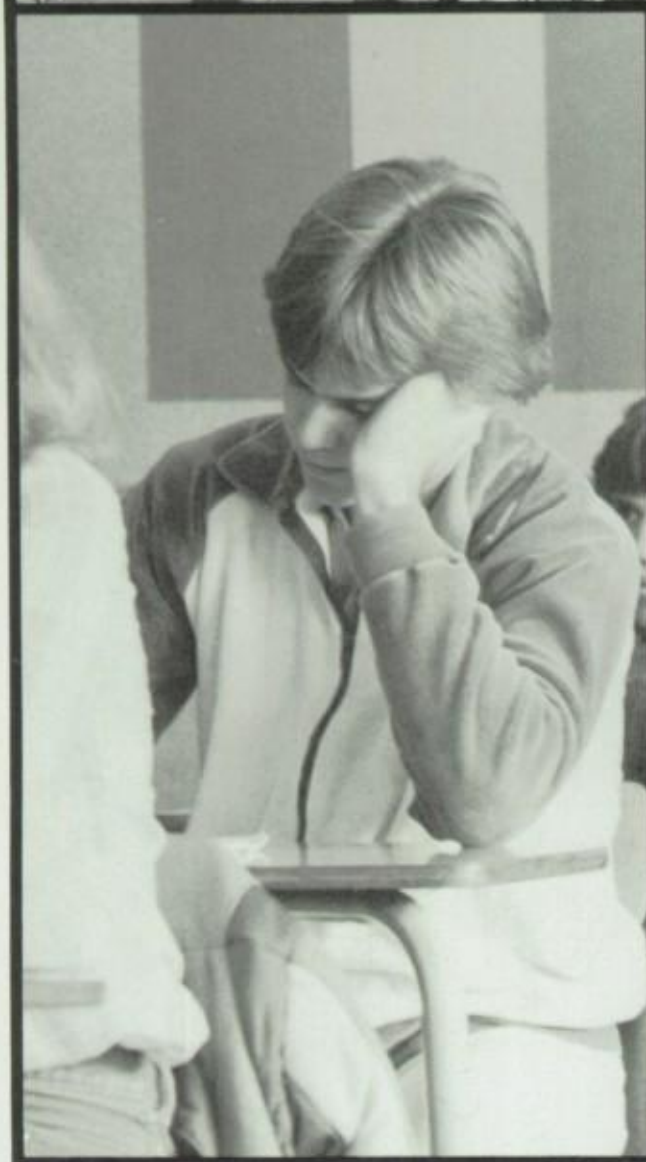

Kathi,

We finally made it, can you believe it? The time has gone by so fast since all you White Oaks guys came to B.A. in 5th grade. It's been a lot of fun and I'm really glad we got to know each other because you're a really nice person. I've had fun partying with you and everyone else around here. Have a great summer. I know I'll be seeing you around this summer (at party's of course, where else?)

We also have fun things like Frisbee throwing, cake walks, Halloween candy-grams, bake sales and bands. It keep the students active in school.

TRENDS

★ ★ ★ ★ ★ ★ ★ ★ ★ ★

This year many styles were seen at S.C. The cowboy look was in, as well as designer jeans and sweat-suits. All types of music, such as rock, soul, and country were listened to at S.C. The radio station KOME was the favorite among most of the students. Coke, Sprite, and Sugar Free Tab were favorite refreshers at lunch time that could be purchased at the student store.

"Texas Rangers" was a part of the new cowboy look.

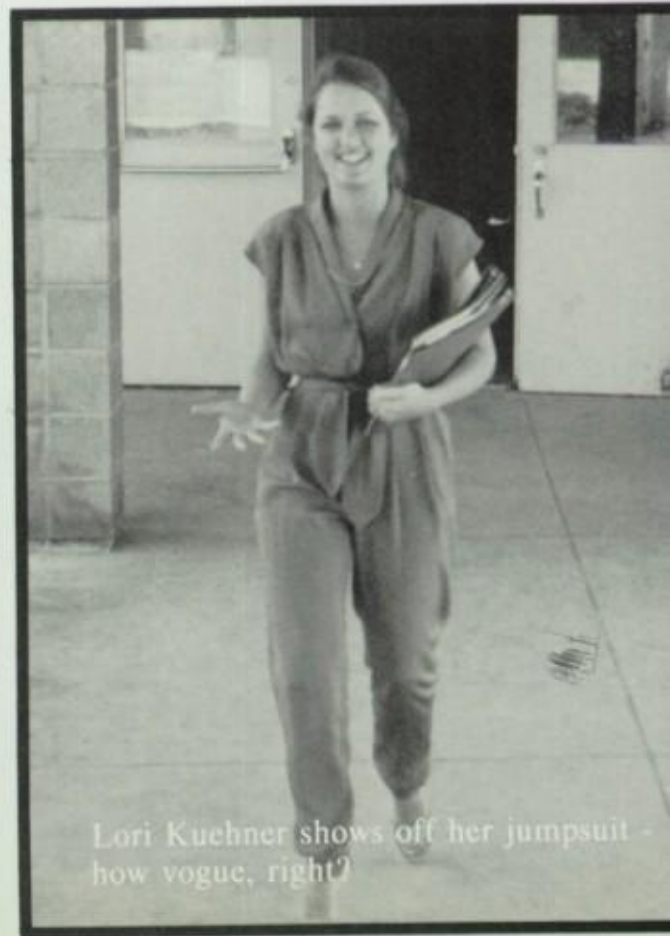

Adidas sweatsuits were very popular with the entire student body.

Designer names are everywhere nowadays.

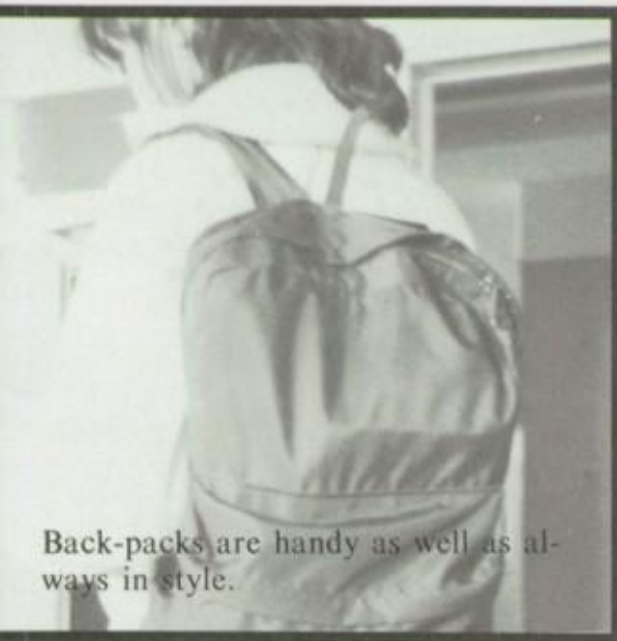

This winter was a good time to wear all that warm, fuzzy rabbit fur...

Can you spot the trends setters in this crowd?

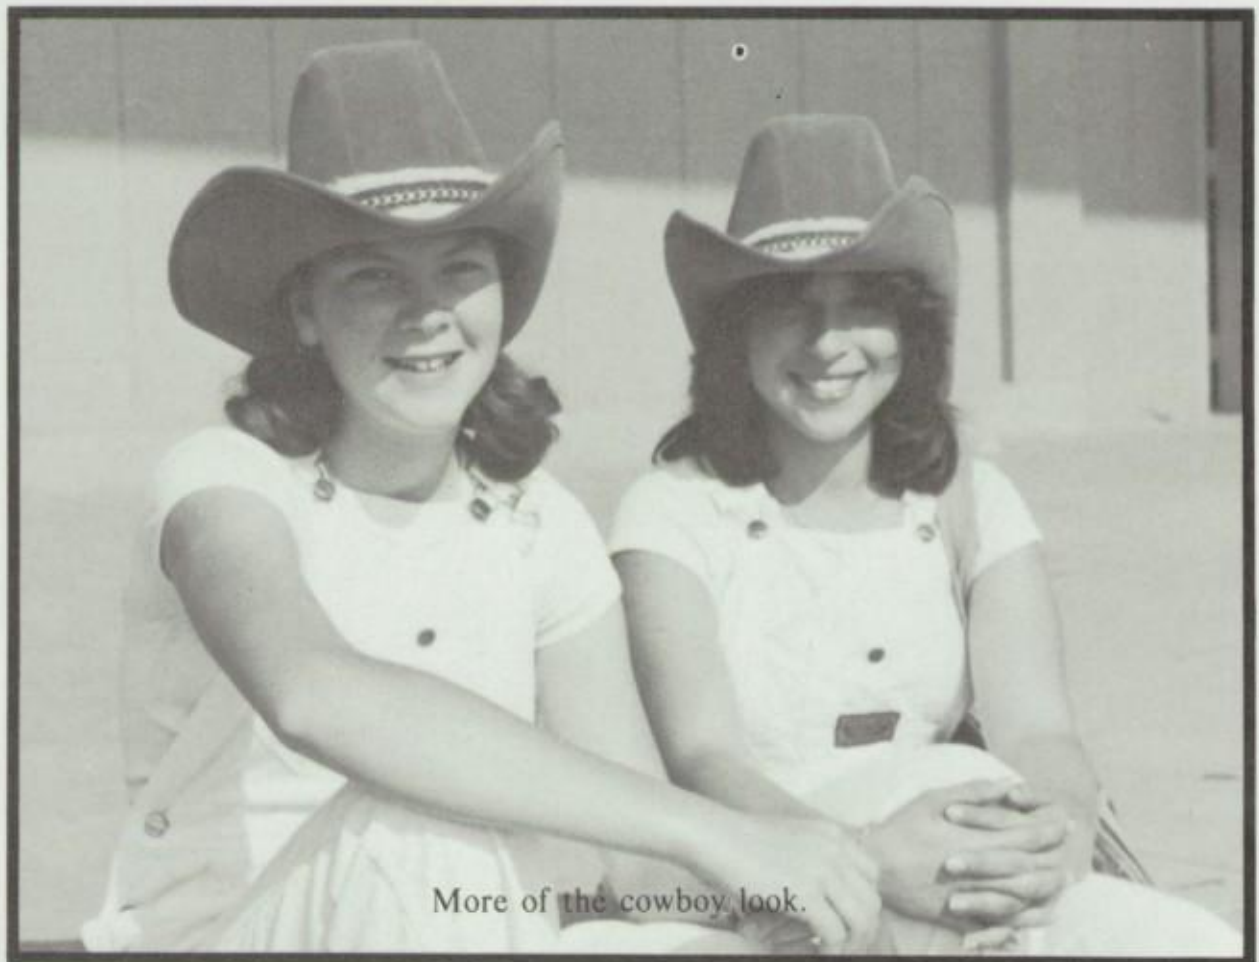

Back-packs are handy as well as always in style.

Everybody is "10" this year.

Curly hair was extremely popular this year.

More of the cowboy look.

For thirsty people, the coke machines in the locker rooms were a great relief.

KOME is always a favorite with music lovers at S.C.

WHAT A YEAR IT WAS

What a year it was! A new President was elected, and his victory foreshadowed a dramatic shift in political philosophy.

Inflation, unemployment, recession, riots and terrorism

all had impact, as nature did, too, in the form of drought, earthquakes, fires and volcanic destruction.

Exploding with a force 500 times greater than the Hirohima Atomic bomb, Mount St. Helens blew ash and dust 10 miles high in one of the best-documented natural disasters

of recent times, and despite all the warnings left over 60 dead. The volcano erupted after 123 years of deceptive inactivity. The first eruption in May melted ancient glaciers. One hundred fifty square miles of Douglas fir forests were flattened, and 1.5 cubic miles of rock and dirt from the peak became rivers of boiling mud and towering clouds of radio active ash. Nature will require at least 300 uninterrupted years to cover the mountain in the loveliness it once had.

It was the deadly year that Las Vegas' luck turned bad. The MGM blaze, November 21, claimed 84 lives and injured some 700. The Hilton fire was a sequel to the MGM: eight were killed, and 242 others

were injured.

Two days after the deadly MGM fire, an Italian earthquake killed 3,000 people.

Polands' striking workers brought down the government and dangerously provoked the Soviet Union. A document was signed obliging the Communist party to legalize independent unions and the right to strike in Poland, an act unprecedented in Eastern bloc countries.

J.R. Ewing was the man we loved to hate. When he was gunned down last spring, the list of suspects included practically the entire cast. The culprit was revealed in a November episode that attracted the largest TV audience ever for a series.

A DAY FOR HISTORY

Our new president was inaugurated and the American hostages were released, all on the same day, Tuesday, January 20, 1981. "The 52 American hostages..." This was the phrase heard or read in almost every news story about the Americans held by Iranians since Nov. 4, 1979. The number 52 (53 before Richard Queen came home) tended to impersonalize the event, obscuring the identities of the people held so long, (444 days), in isolation.

THE BUTLER DID IT

On January 22, 23, and 24, the directing of George Gill and the acting of a group of talented students presented "The Butler Did It." The play is a comedy-mystery, and the story line and quick humor

kept the audience in suspense.

Nine of the twelve students in the play have had some acting experience. Some, like Shelly Winhall, David Zimmerman and Ted Cutter, have had at least 4 years of acting experience.

The rest of the cast included the female lead, Maria Kaiser, whose make-up and acting made her seem years older. Another major role was portrayed by Lee Meehan, a junior active in drama. Laura and Rick Carlyle were played by Carrie Cocchi and Dan Biermann. The two "rookies" in the play were Brad Thomsen and Rick Motroni.

The stage crew included 31 SC students doing everything from programs and tickets to make-up and set construction. Without these people the play would not have been possible.

IN MEMORIAM

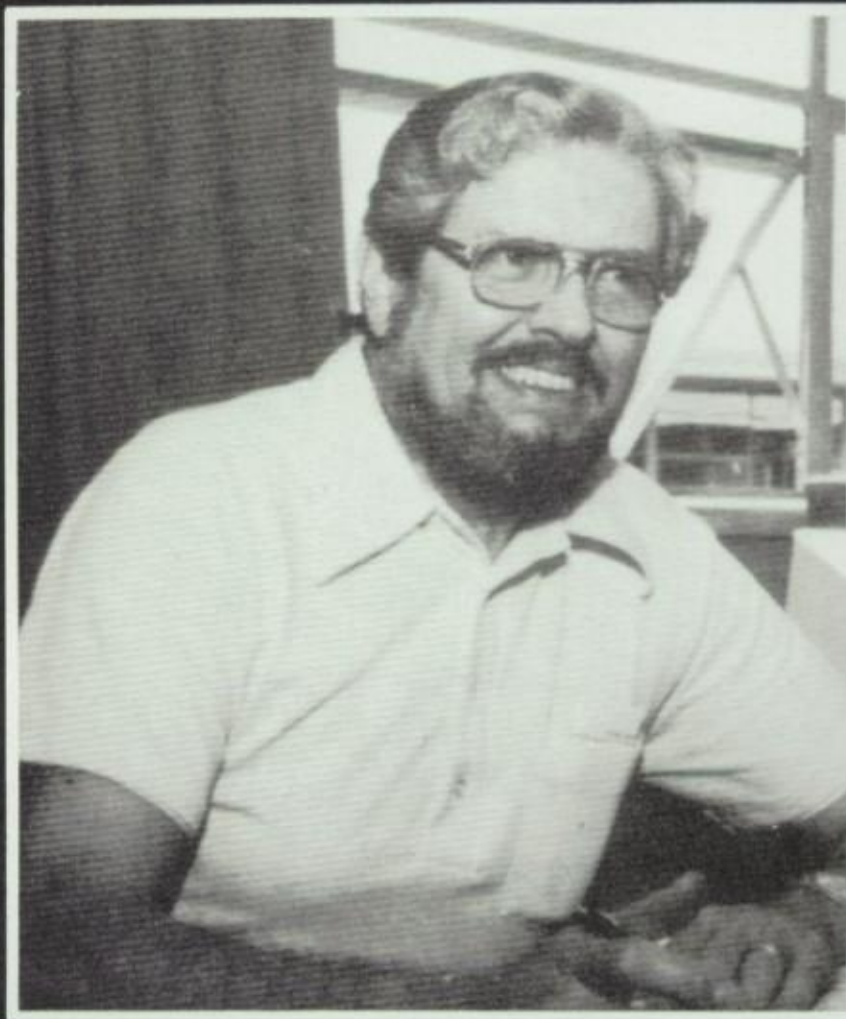

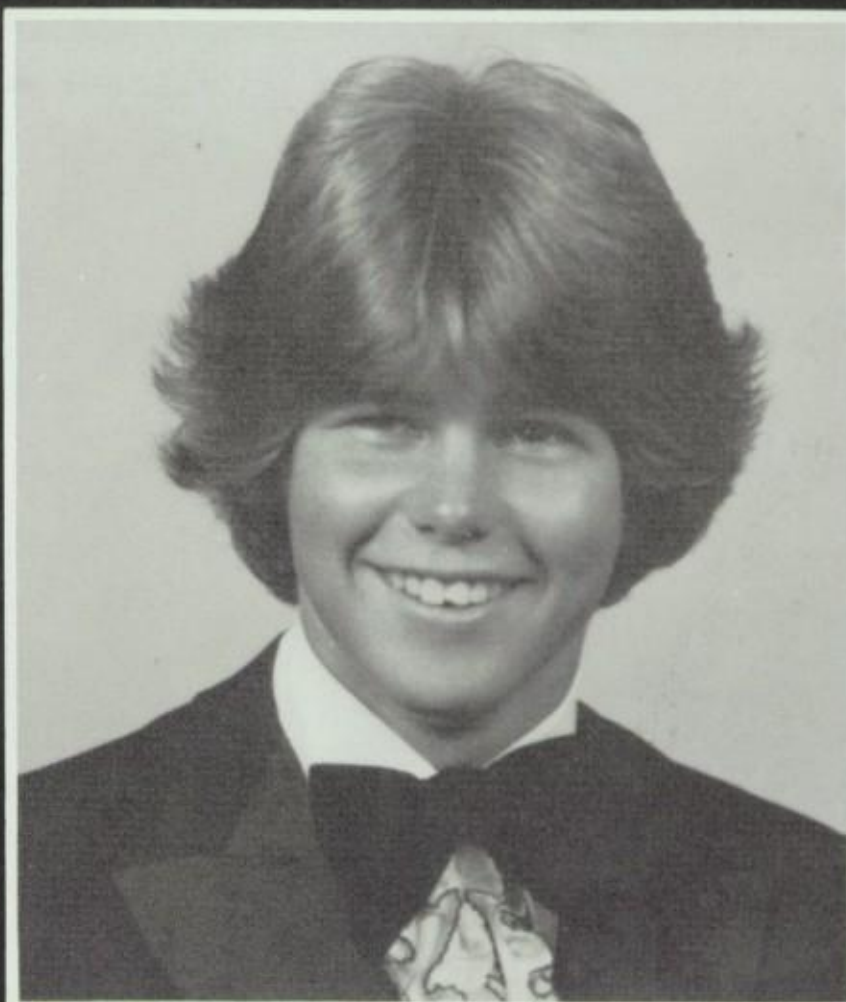

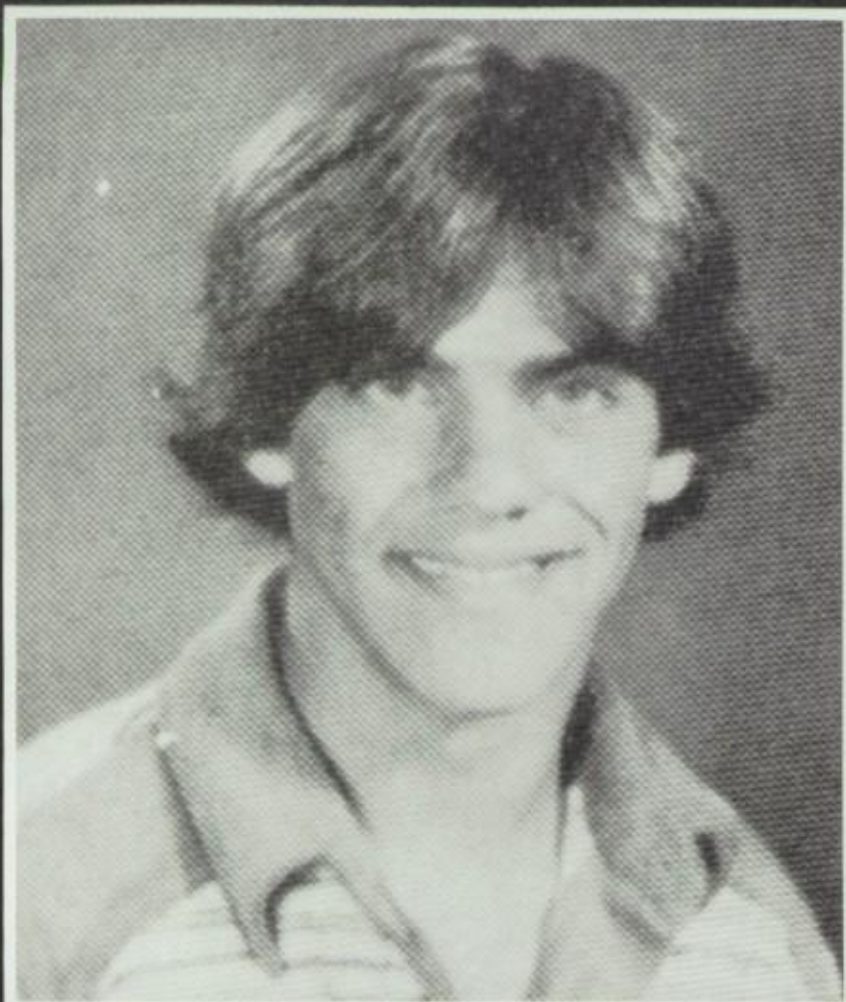

I missed him when the sun began to bend;
I found him not when I had lost his rim:
With many tears I went in search of him,
Climbing high mountains which did still
ascend.
And gave me echoes when I called my
friend:
Through cities vast and charnel-houses
grim,
And high cathedrals where the light was
dim,
Through books and arts and works without
an end,
But found him not—the friend whom I had
lost.
And yet I found him—as I found the lark,
A sound in fields I heard but could not
mark:
I found him nearest when I missed him
most:
I found him in my heart, a life in frost,
A light I knew not till my soul was dark,

JUNIORS

Junior Prom and Sadie Hawkins took a lot of hard work and planning. The class of '82 was

up to the task.

They raised well over \$1000.00 from Sadie to enable them to have their Junior Prom at the Amfac Hotel in Burlingame. Other than the dances, the juniors had great fund raisers such as candy sales and flower grams. The juniors strived for a lot and got it!

SOPHOMORES

This year the sophomores were full of spirit. They had a fund raising week in which they sold pizza, took pictures, and had a sponge throw. They did all this to raise money for the Aloha dance. The dance was a success, the scenery was so realistic you thought you were in Hawaii. The people who showed up at class meetings may not have been numerous, but they were productive.

VARSITY FOOTBALL

This season was a pleasing one for S.C.'s football team. It made everyone happy except their opponents. It was

a real comeback season

for S.C. Our first victory over Sequoia gave us our momentum to go on to another three victories, one of them another last-minute victory over Homecoming rival Sequoia. A new coach, Mr. Gary Vye, added spirit to our team. With outstanding plays from first team players Reggie Hill, Ward Farris, and Steve Apour, the team went on to a good season.

After years of winning close games, the “C” team experienced what it is like to be on the other end. The “C’s” lost three crucial games in the first round by a total of four points.

“An indication of how good we could play was evidenced by how good we handled the teams that eventually tied for the championship” stated coach Silva. “It just wasn’t meant to be.”

Although the “D” team lacked in height and experience, the school could boast of one of most highly competitive teams ever to represent San Carlos. The never-say-die Dons were very much a pleasure to watch in every contest.

GIRLS' TENNIS

The SC Girls' Tennis team did exceptionally well this year, coming in fourth place. All the girls worked hard to make this season

the best in SC history.

Debra Turner, #3 singles, was named the Most-Valuable singles player, having a 8-3 winning season.

Lynn Wallace and Laurie Caddell, with a 7-3 record, were the Most-Valuable doubles.

The team showed overall improvement and the strong singles contributed to a smashing first-time victory against Carlmont.

Summing up the year, Coach Coconni commented, "Good efforts were made by all the members and everybody pulled together to have a lot of fun and to play tennis."

CROSS COUNTRY

Cross Country is a sport of endurance, skill, and practice. This year's team wasn't exceptional but did put forth a lot of effort. The co-captains, Jeff Hicke and Laura Silva, both were named MVP's because they worked very hard to keep everyone else going and at the same time remembered their own events. Mark Medina was also named MVP for the sophomores. Kim Cross, Sheldon Carroll, and Jim Regin were voted Most Improved because they practiced a little longer and harder. Laura Silva and Rob Van Wanden showed their teammates a lot of support and encouragement and thus were voted most Inspirational. Coach Lorenat felt that this year's team was pretty good and hoped that next year would be better.

GIRLS' VOLLEYBALL

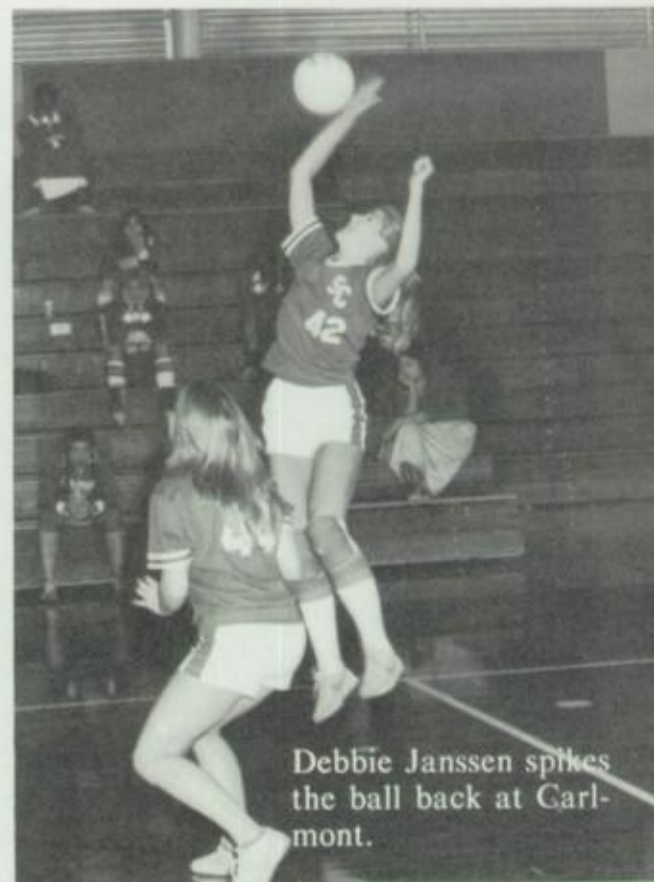

The Varsity Girls' Volleyball team had an outstanding season this year. Their record was good enough to get them to the play-offs,

finished fourth in the league.

There were a lot of talented girls on the team. Keire Himley was Voted Most Valuable Palyer and received All League Honorable Mention. Honorable Mention for All League was also given to Cindi Durchslag. The All League 1st team player was Carol Bennett. Lynne Gaal was the Most Improved Play-

er. A new award was presented by Coach Gebhardt to Debbie Janssen for Most Ladylike, a kind of good-sport award.

The J.V. team had a lot of first-year players, many of them freshmen, but they all improved rapidly. They practiced hard every day and by the end of the season, J.V. was looking very strong. Most matches went for three games and were very close, and S.C. soundly defeated Woodside and Mercy in two quick games each. Amy Ruegg was the team's strongest player, receiving the All League 1st team award. Jenny Baisch received All League Honorable Mention and Linda Lucas was Most Improved.

GIRLS' SWIMMING

"Good spirit!" This was the main theme of the Girls' Swim team this year.

Despite the small turnout, three Varsity and eleven Frosh/Soph girls, "Most people put forth an exceptional effort," stated Coach Heyfron, "while on the average, the whole team improved."

1980 was a growing year for the

team.

According to Heyfron, "The strong points were we are a young team (mainly freshmen), and we had a lot of enthusiasm and a good attitude toward the team."

This year's team was hurt mainly by the lack of depth, but there were also a few strong swimmers.

Varsity consisted of Cindy Rice

and Lori McDonald.

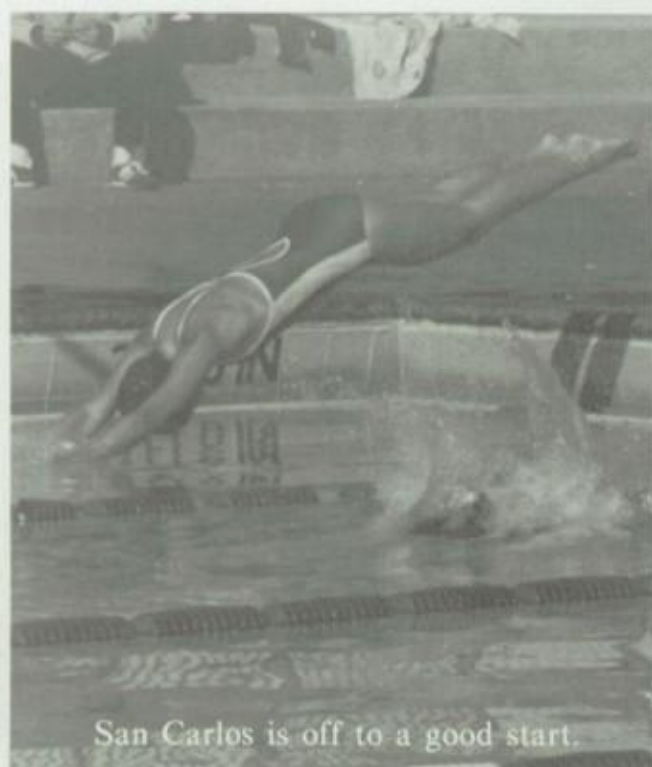

On the Frosh Soph, the strong swimmers were Kristen Andreatta and Carol Silva.

When asked what she hopes to improve for next year, Mrs. Heyfron simply stated, "More people! Hopefully more returning girls."

"The main thing is," says Heyfron, "We had fun!"

CCS PLAYOFFS

After the Varsity Basketball team won the SPAL championship, it was on to the CCS.

The Dons drew a first-round bye, so their first game was against Seramonte whittled away at the lead, but S.C. had a big enough lead and won 73-60.

The next game for S.C., against Gunn, was the pivotal game of the season. If the Dons could get by Gunn, they had a very good chance to win the CCS championship.

S.C. had their worst shooting performance of the season hitting only 35 percent from the floor, and they lost 51-49 in overtime. The fact that S.C. had their worst game, and only

lost by two points in overtime,

proved that S.C. was better than Gunn, who ended up second in the CCS behind St. Ignatius.

The Dons then played a consolation game against Saratoga. S.C., who blew a 51-37 halftime lead, lost to Saratoga 92-79. It was obvious that S.C. had only two quarters left in them after the physically and emotionally draining loss to Gunn.

"I'm a little bit disappointed because we didn't make it to Stanford. I think that was everybody's goal. We can't let that overshadow what we've accomplished," says Coach Giacomazzi.

What coaches Giacomazzi, Ficcadenti, and the players accomplished was a perfect regular season and an overall record of 23-3. These are accomplishments that the team and the school should be proud.

BOYS' TRACK

After completing a sensational 79-80 track season, SC's Varsity Track

again performed well.

Outstanding returnees from last year were sprinters Raymond Farris, Kevin Jackson, and Malcolm Lewis; hurdlers Jeff Chiavetta, Rob Van Wandelen, and Mike Walbrecht; pole vaulter Kirk Waters;

discus throwers Dan Brent and Tony Mandolfo; and triple jumper Jeff Hicke.

A change that took place this year was that instead of the Varsity team attending the Pacific Grove Invitational they attended the West Valley Relays at West Valley college.

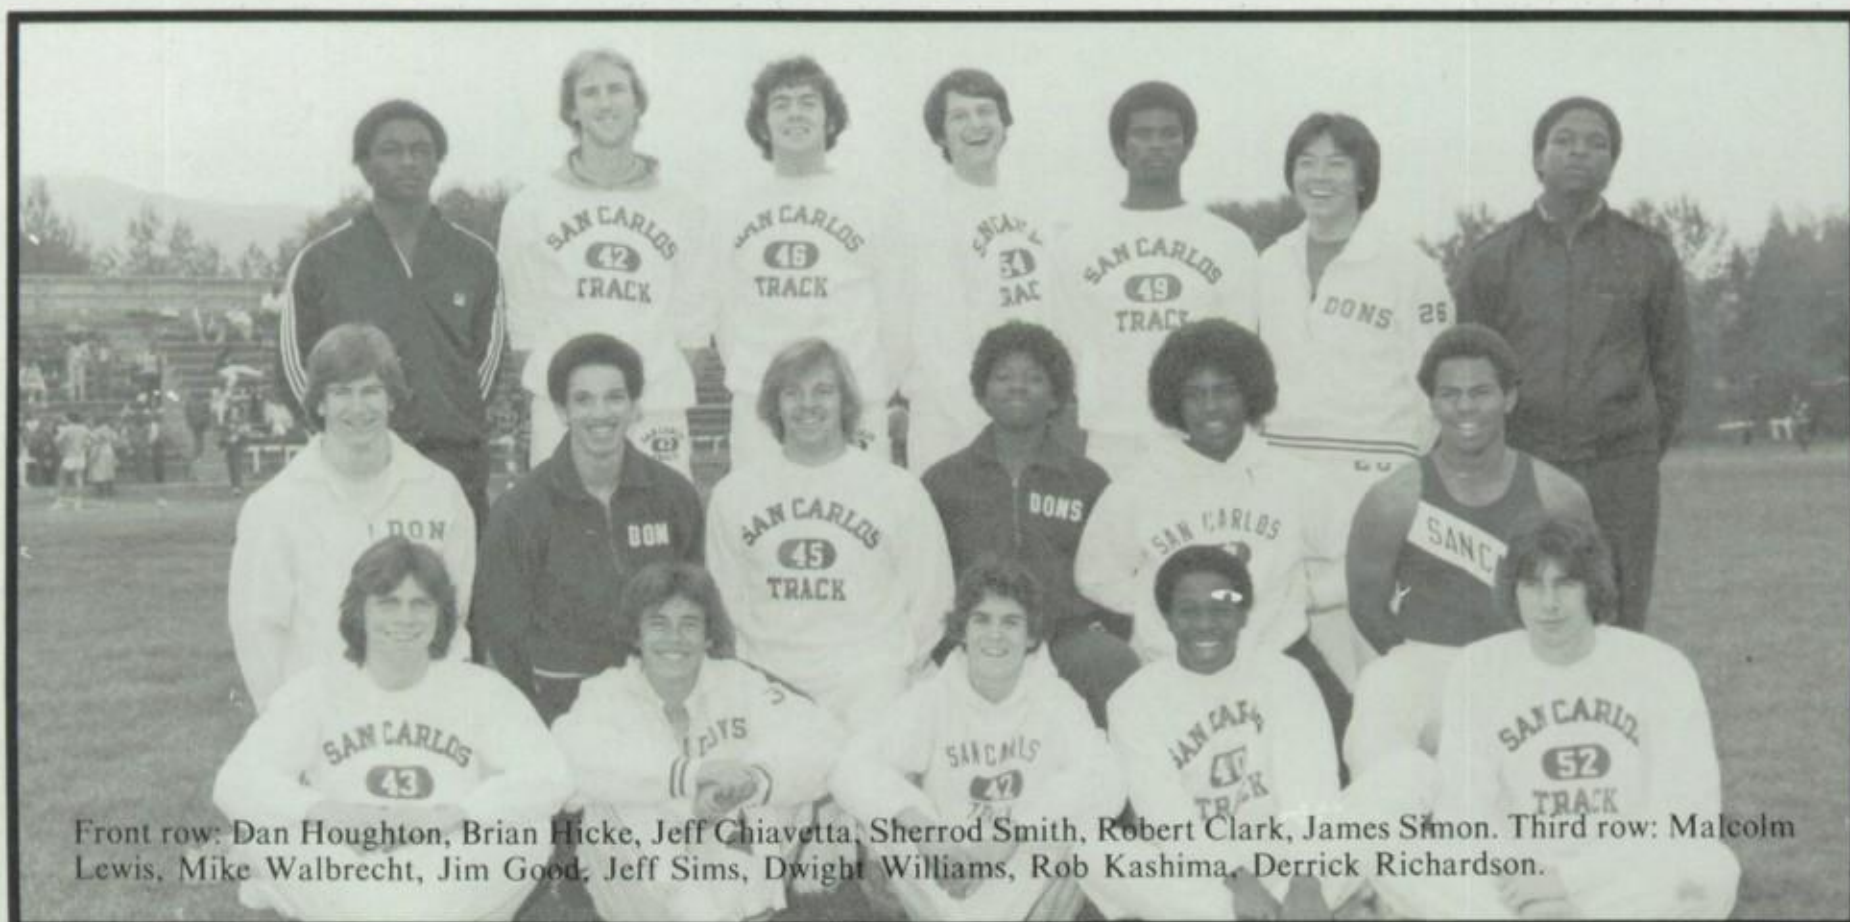

Coach Luttrell says the change was because West Valley had girls' events while Pacific Grove didn't.

GIRLS' TRACK

"We had no weak points." This is how Mrs. Miller, head coach for the Girls' Track team, felt about this year's team. Mrs. Miller pointed out that "There was a great deal of talent."

Such talent included people like Rhonda Robinson, who for two years has made state competition. Cynthia Barkus and Yvonne Bashir

were both strong sprinters, and Cindy Durchslag was the strongest shot and discus thrower in Region Two last year. Mrs. Miller indicated that S.C. had

a quality team.

Mrs. Miller further stated, "S.C. has developed a tradition of a close-

knit team between the boys and girls. They help learn from each other." The track team received new warm-up uniforms this year because of a generous donation covering one-half the cost from Mrs. Vaughan, the mother of former S.C. track team members Cindy Vaughan and Bob Vaughan.

The team had an impressive pre-season record of 2-1-2. SC had a reason to look forward to the regular season because of the play of Pat Dyberg. But when Dyber's leg was broken in the first regular season game, the team started to worry.

the season with a record of 7-1-2. Kovac's offensive output was aided by the play of halfbacks John Walti and Kevin Rick. SC was more of a defensive team, led by co-captains Jeff Hicke and Andy Swierstra (fullbacks), and Ed Ruiz (goalie).

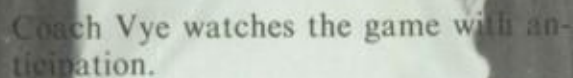

Kovacs got a hat-trick (3 goals) in the championship game as San Carlos defeated Sequoia 4-0.

"No one figured this team would be very good. Individually, they were much better than I thought. They had the heart, desire, and the will to win," said Lorenat.

FROSH/SOPH SOCCER

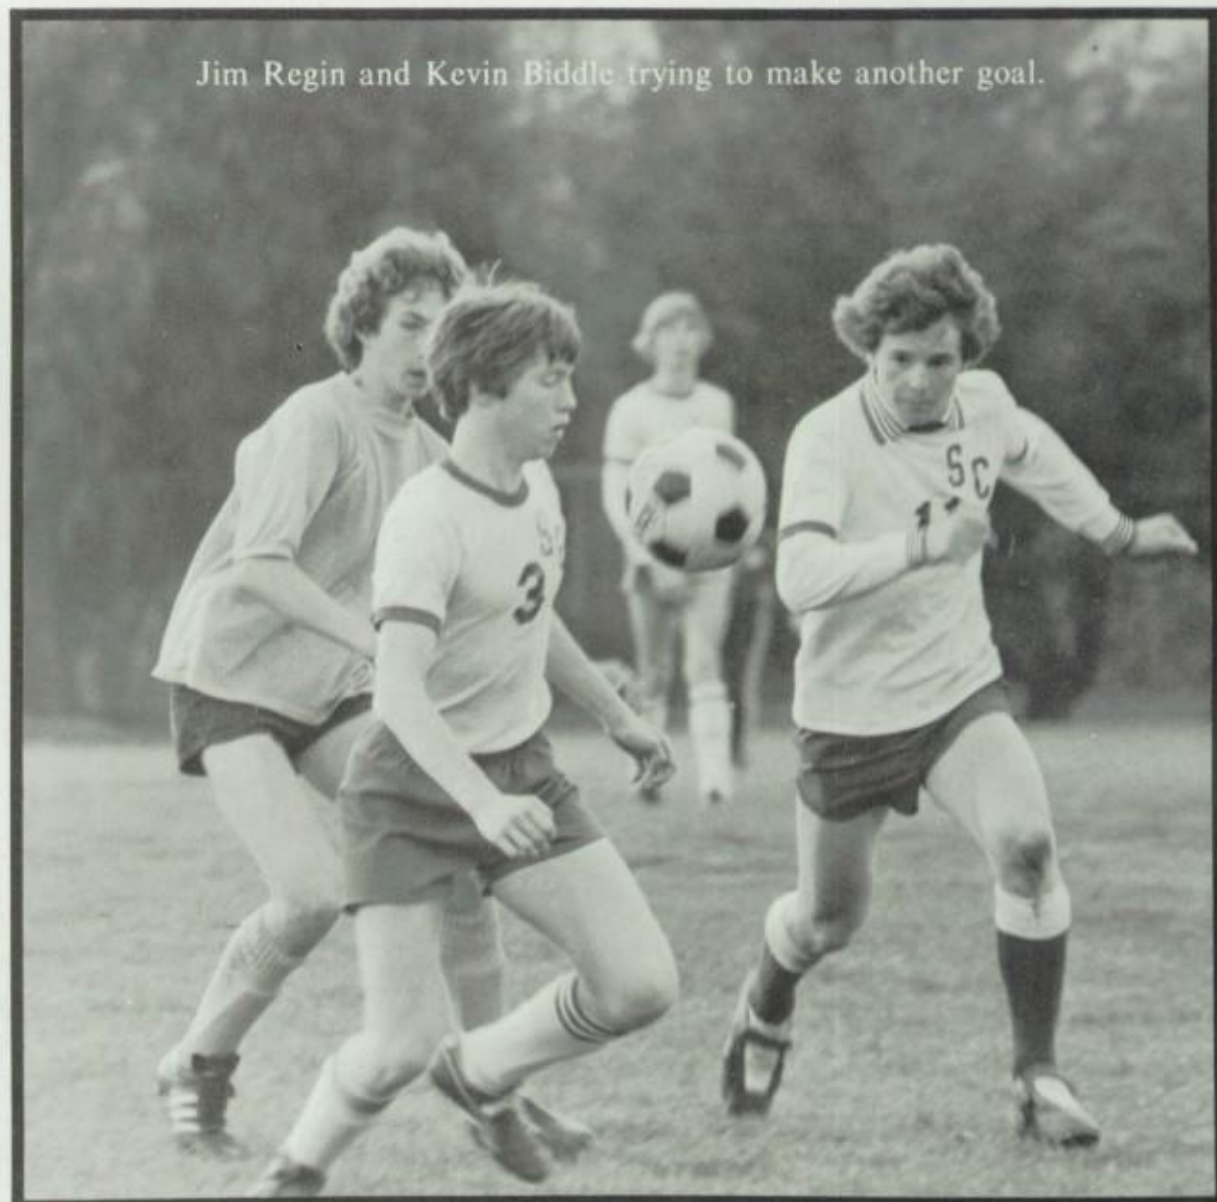

At one time there was some confusion if SC's Frosh/Soph team was going to the playoffs. The confusion started because SC was tied with Carlmont, but Carlmont decided not to go to the playoffs at the last minute.

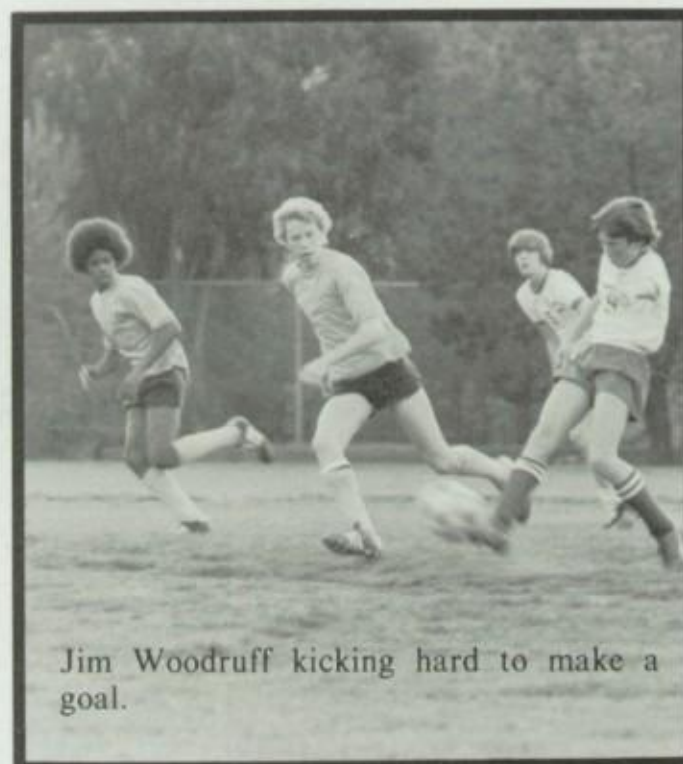

Mr. Cosco gives credit to all his players, saying all of them did a good job this year. Mr. Cosco did say, however, "The forward line was a little weak." When asked about the outstanding players, Coach Cosco said, "Olaf Elze, fullback for the team, did a good job this year. James Erwig, half-back, and Rick Noury, goalie did good jobs also." STUDENT BODY OFFICERS

When the student body elected Jim Good as their President, they elected someone with the ideas and ability to make San Carlos High a better school. Jim had many plans for his term that would better the school. Jim's Vice-President was Julie Francisco; she did one

terrific job.

Karen Woolf was the treasurer and handled all the funds that the student body raised. Sharon Soto was the secretary. Unlike last year's officers, these people held office for the whole year. They did a lot for the good of the school.

COMMISSIONERS

To be a commissioner takes a little bit of time and lots of patience. This year's student body president chose ten willing and able-bodied students to help him through the year. The commissioners

planned many events

including the ping-pong tournament and a dance.

The commissioners worked hard and at times were almost ready to quit; but with Jim Good on their side, how could they.

This year's representatives were Carine Maarleveld, Publications;

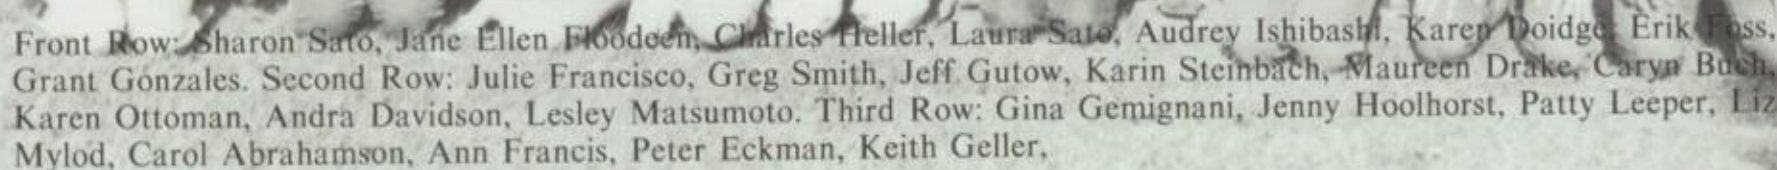

Jocelyn Kremer, Culture and Elections; Kirk Waters, Awards; Susan Politis and Lori Kuehner, Spirit; Patty Lombardo, Recreation; John Barlow, Boys' Sports; Lynn Wallace, Girls' Sports; Christine Frohlich and DeAnn Watson, Buildings and Grounds.

Tryouts were held last spring; seniors, juniors, sophomores, and

freshmen tried to make the Donamics team. There were about seventy to eighty girls trying out, but only twenty-four lucky young ladies made it. Thanks to the help of Mrs. Allen, everyone did an excellent job. As one of the girls said, "There's nothin' like the San Carlos Donamics!"

YEARBOOK STAFF

The yearbook staff put forth their efforts to bring you the best yearbook that they could. They did a super job, and keep in mind the staff this year was unexperienced, with the exception of four or five people who took the class last year.

The class was run by Advisor Fred Passey and the editorial staff of Lori Kuehner, Katie Pardee, Paige Schoof, Jane Ellen Floodeen, Remie Domondon, Karen Woolf, and Bill Clayton. This year was the first year with this many editors;

there is usually only one in charge of the book. With this many editors they were able to bring

an assortment of ideas

so the book would appeal to more people. The class was very supportive and they participated in drawing layouts, writing stories, and selling advertisements.

DON CARLOS

★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★

The Don Carlos staff was a little larger this year because of an influx of freshmen and sophomore students. The enthusiasm and the hard work of the underclassmen added greatly to the staff.

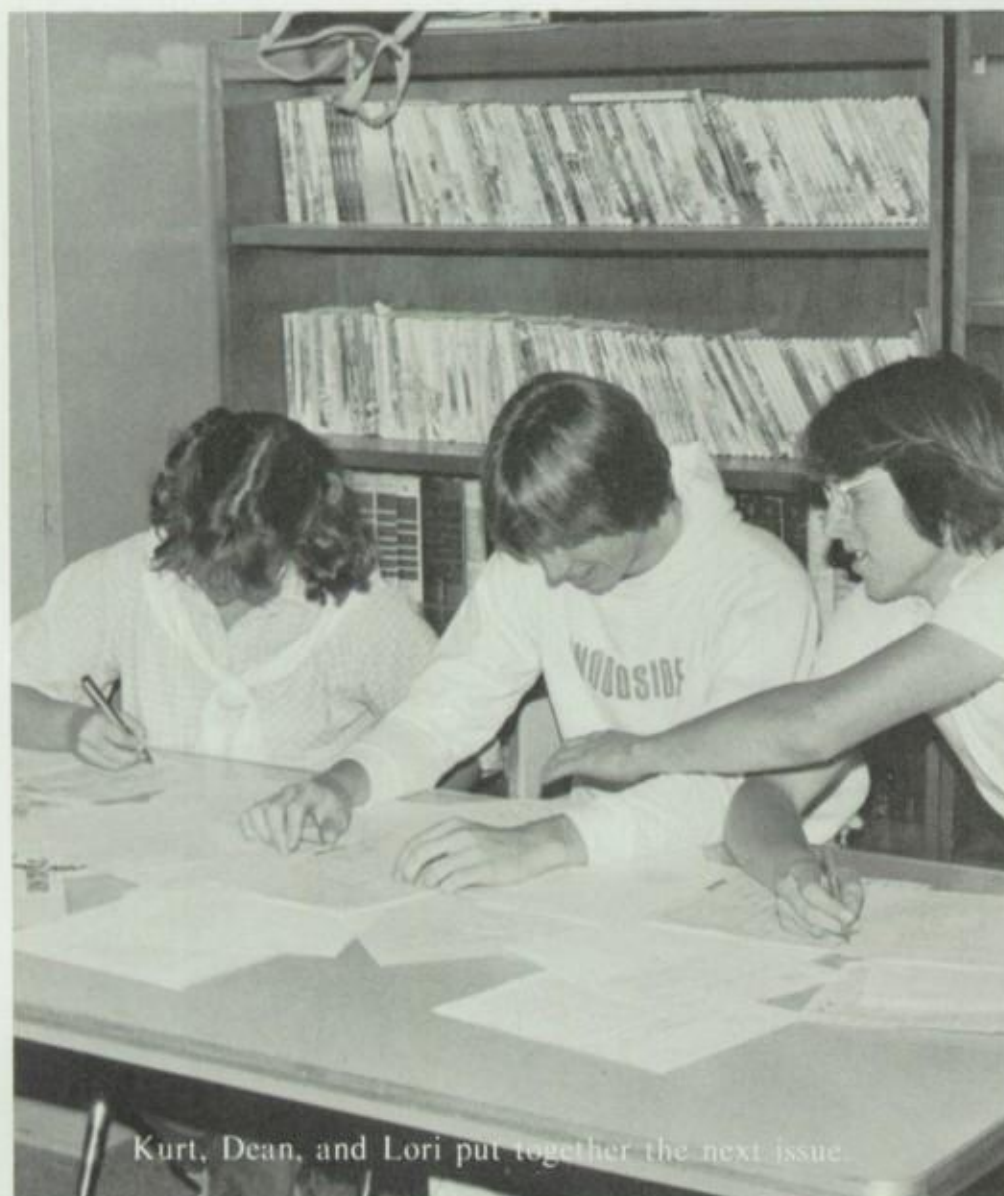

More income from advertising helped to off-set the reduced allotment from the student body budget, allowing the Don Carlos staff to produce nine issues over the year.

Excellent writing by junior Amy Chang and senior Bob Motroni, both newcomers to the staff, and veterans Dave Pitts and Lori McDonald provided

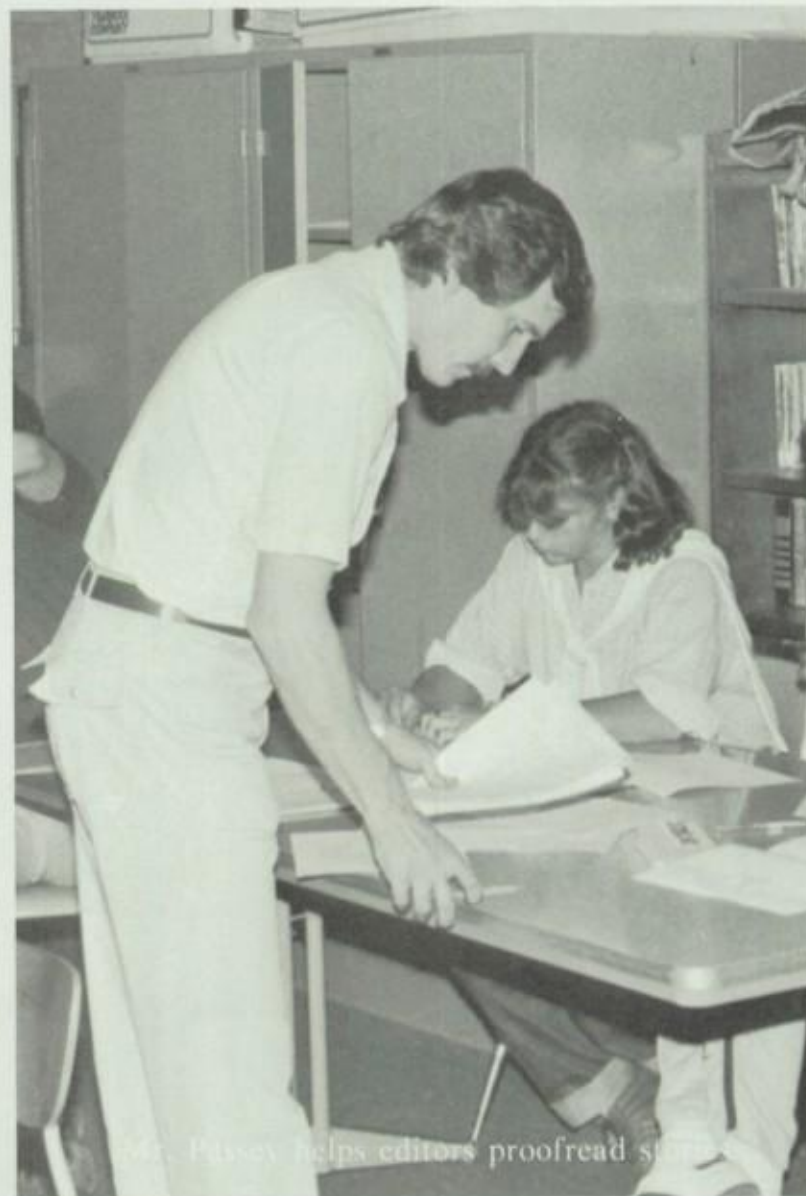

broader coverage of S.C. activities.

CHOIR

★ ★ ★ ★ ★ ★ ★ ★ ★ ★

Our A Capella Choir, instructed by Mr. Noa, has been very active this year. They have performed in various places such as Carlmont Methodist Church, Bay Meadows, and their annual presentation at Pizza and Pipes. They also participated in the County Choral Competition. Mr. Noa regards the Choir as

a very talented group
and enjoys working with them.

BAND

★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★

Mike Ryan, SC's band director, spends a lot of his time teaching his members how to perform their best. By listening to their music, it is obvious that Mr. Ryan, as well as his students, are doing

an excellent job.

There are sixty members in the group. They have performed at every football game and at all of the home basketball games. March 13 they gave a concert, and in April they played at a festival at Marriotts Great America. The festival was judged by four people. Jim Good, a clarinet player in the band, received an invitation to participate in the California State Honor Band.

Mr. Ryan has really enjoyed his students this year. He said, "Each year produces new challenges."

Front Row: Nancy McElroy, Cece Cherney, Kathy Remington, Carolyn Duerr, Pam Maffei, Carla Casterline, Sally Price, Rachel Bernal, Terri Weston, Nicole Bergeron, Laura Dwyer, Jackie McLaughlin, Dawn Fujita, Andra Davidson, Laura Edmonds, Kathy Morgan, Laura Carlyle, Chrissie Woolworth. ORCHESTRA

There were twenty members in this year's string orchestra. All performances of the orchestra went well; the students' hard work shown through with the help of Mike Ryan, their director.

They had a winter concert at the

Carlmont Methodist Church, a festival for rating in May, and a concert in late April. Their

special performance

was at Bay Meadows where they played with our school band.

Mr. Ryan really enjoyed all of his students and is extremely proud of the ones who make an extra effort to keep music in their lives.

Laura Carlyle plays a solo for the class.

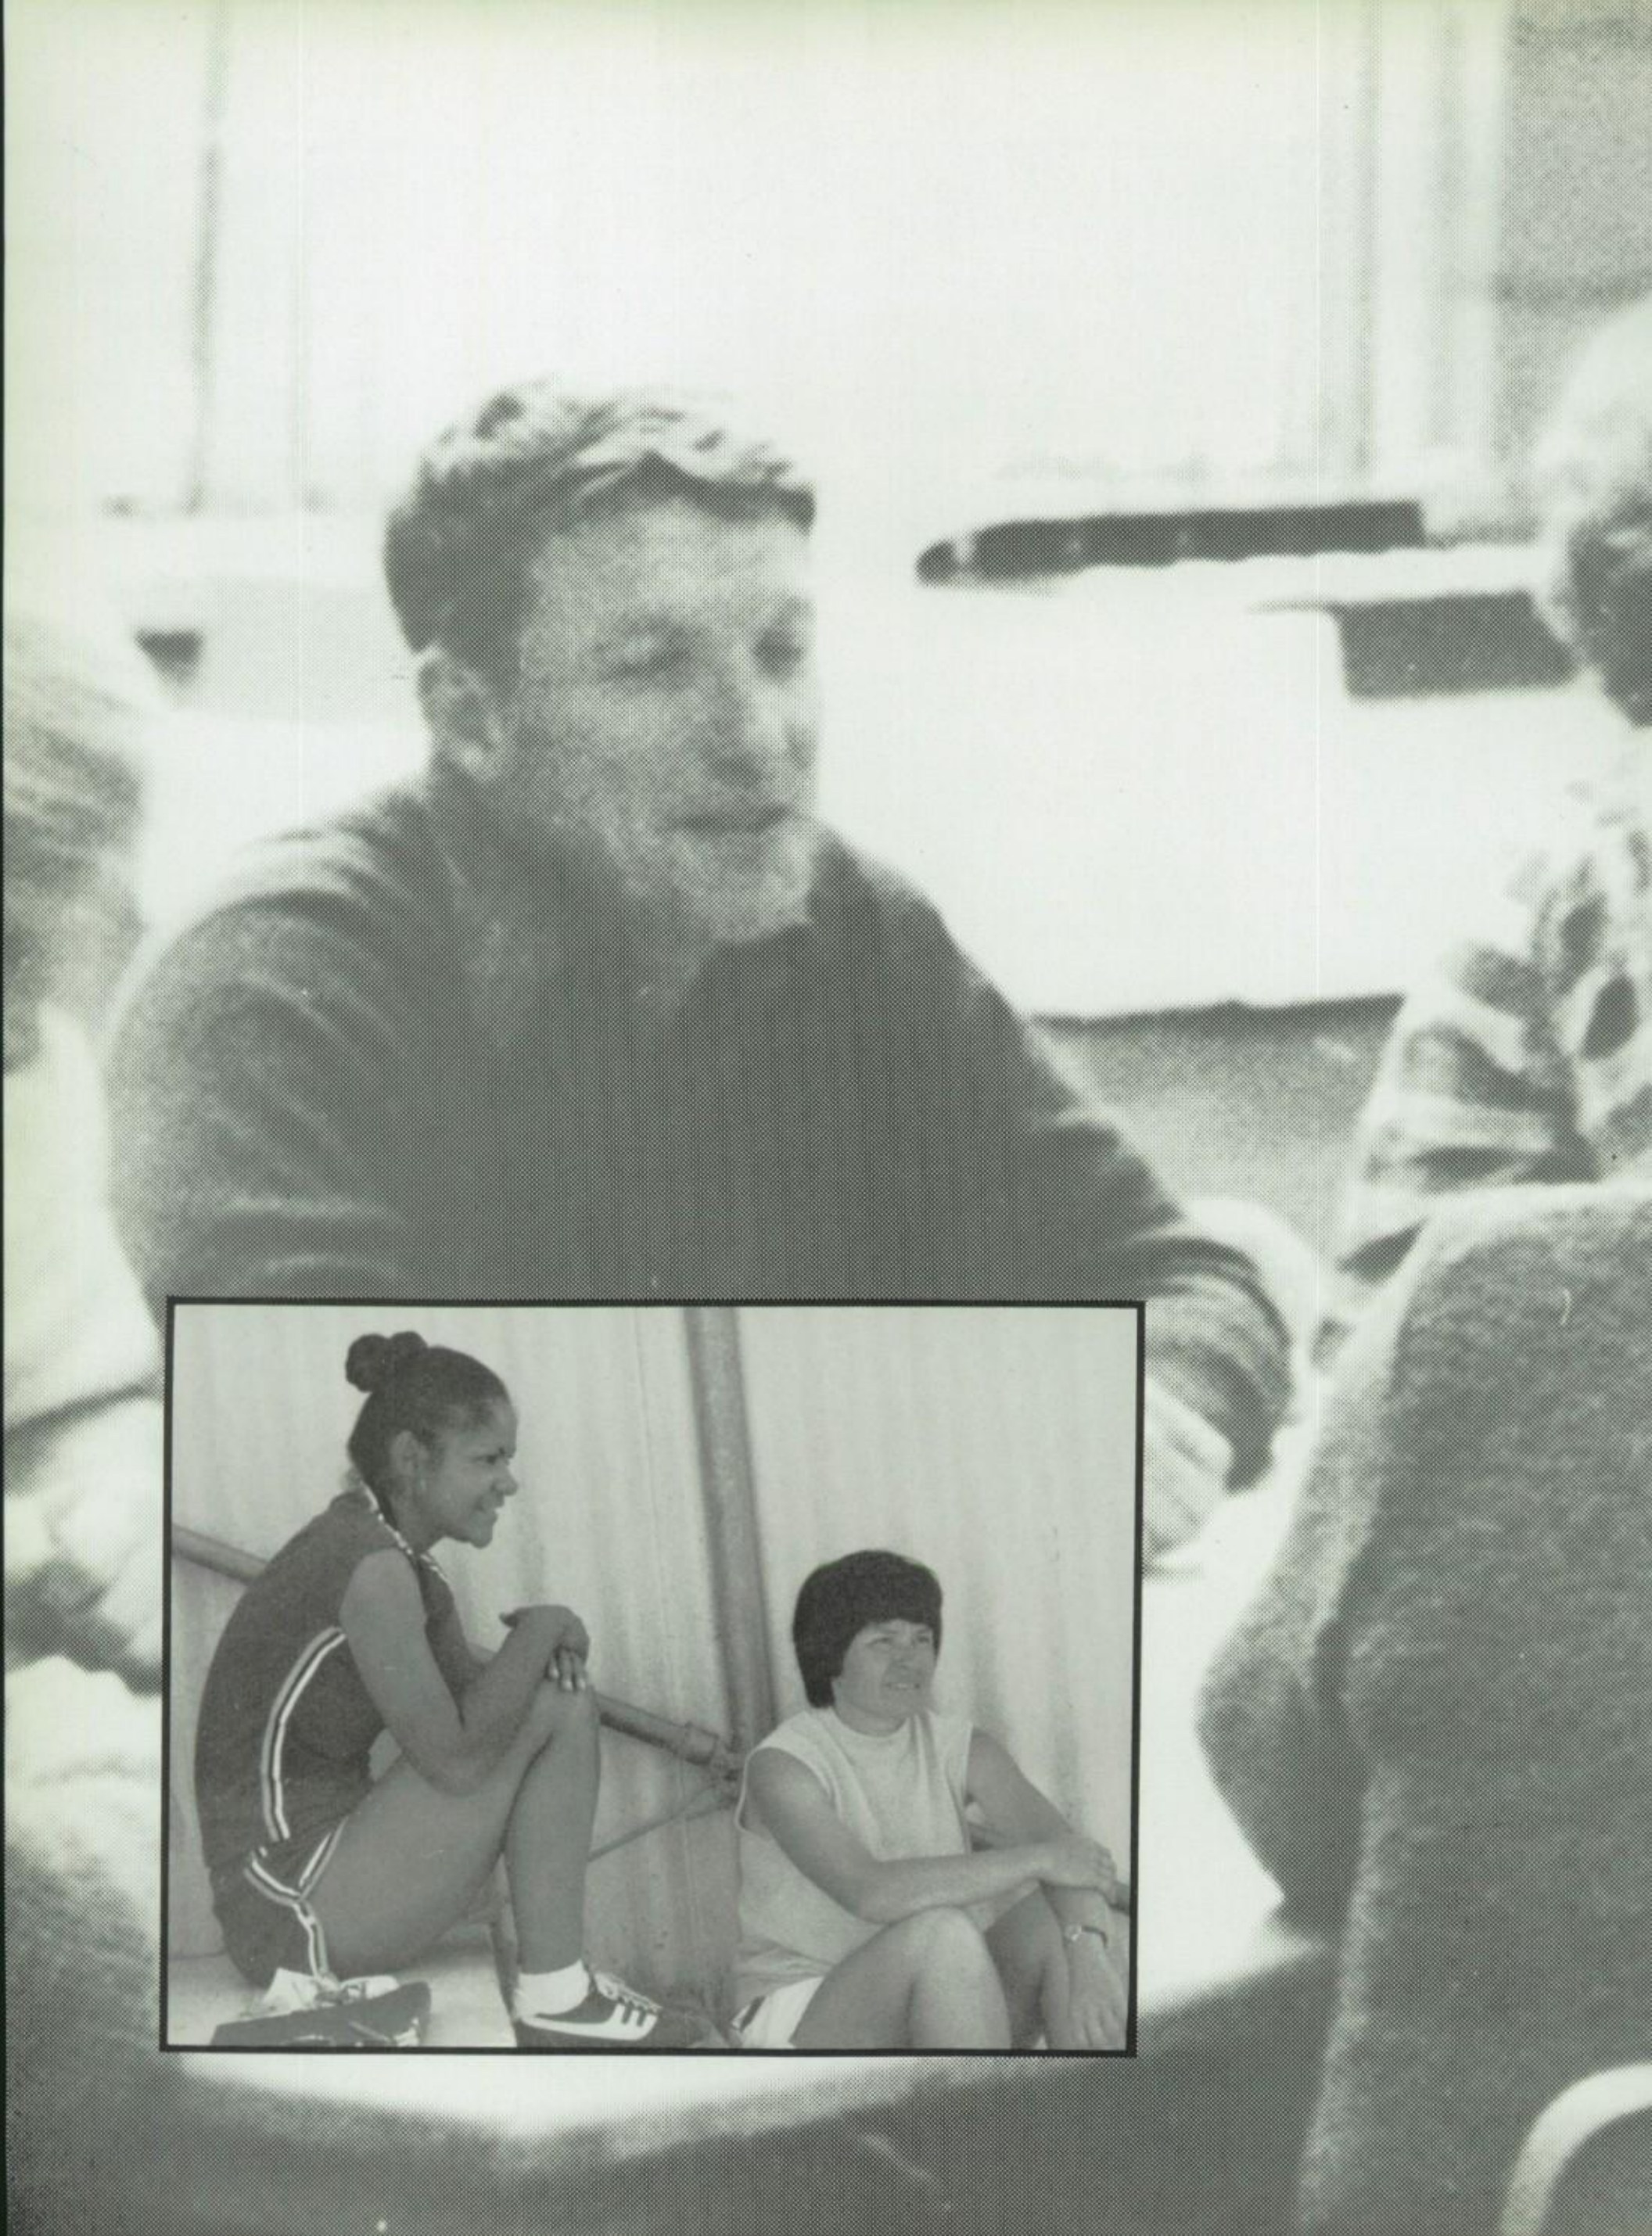

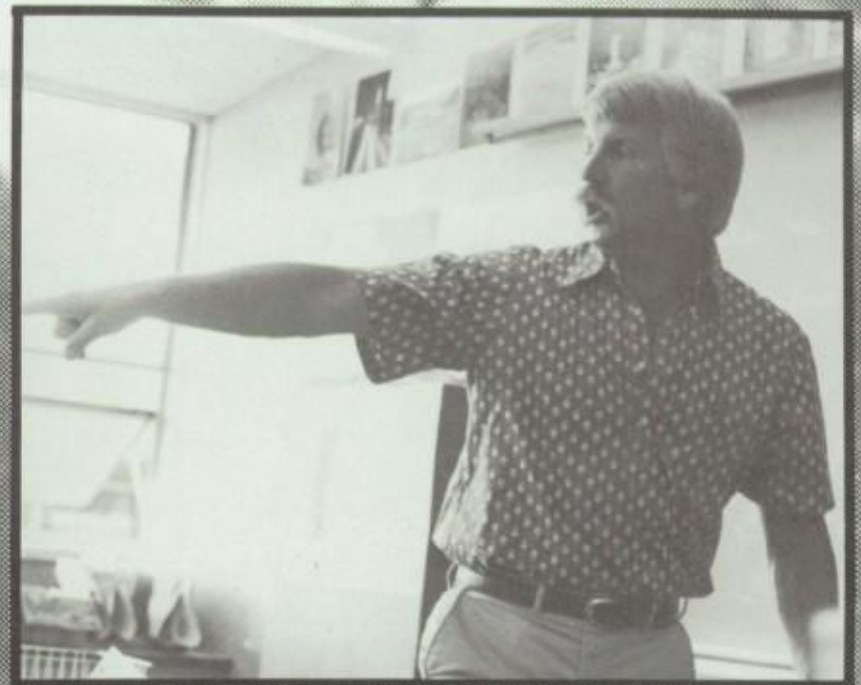

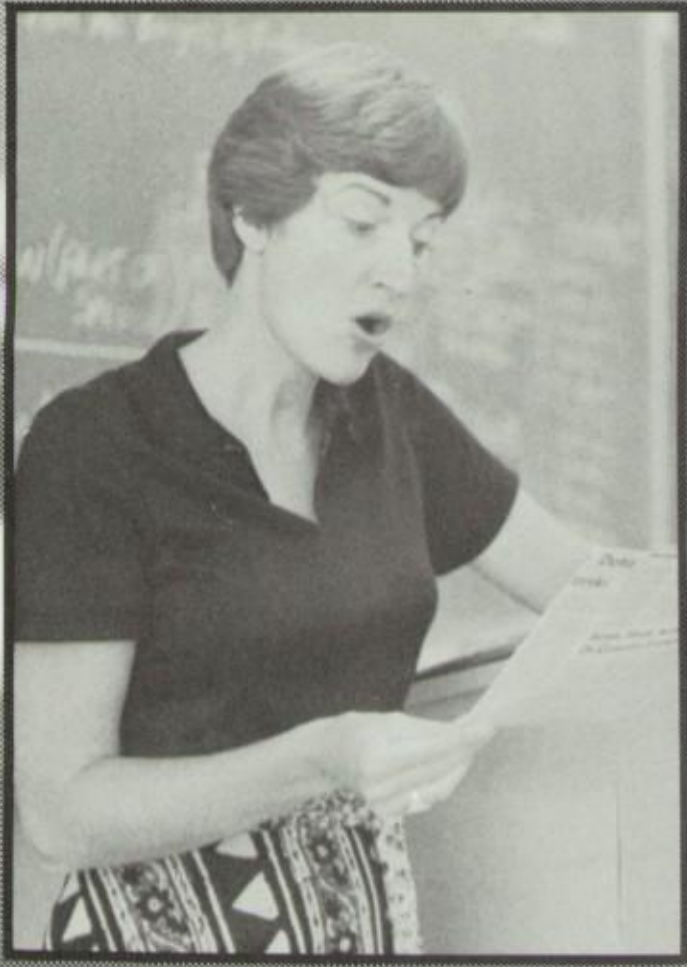

The violin section practices very hard.

CLOSING

Stand with anybody that stands
right while he is right and part with
him when he goes wrong.

-Abraham Lincoln

The world is full of unrest, politics, crime, war, disagreement, and most importantly — people!

You can just look around and see many different people every day. It's easy; just open your eyes.

The hard part comes when you try to talk to a person, attempt to get to know them.

Then you discover something new — the individual.

It is only when the individual shines through the person that one

is able to develop friendships.

The individual is unique and one-of-a-kind, like a star.

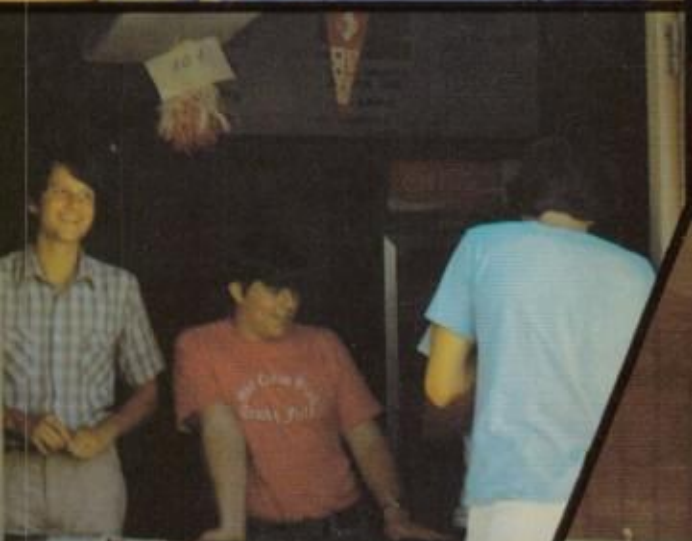

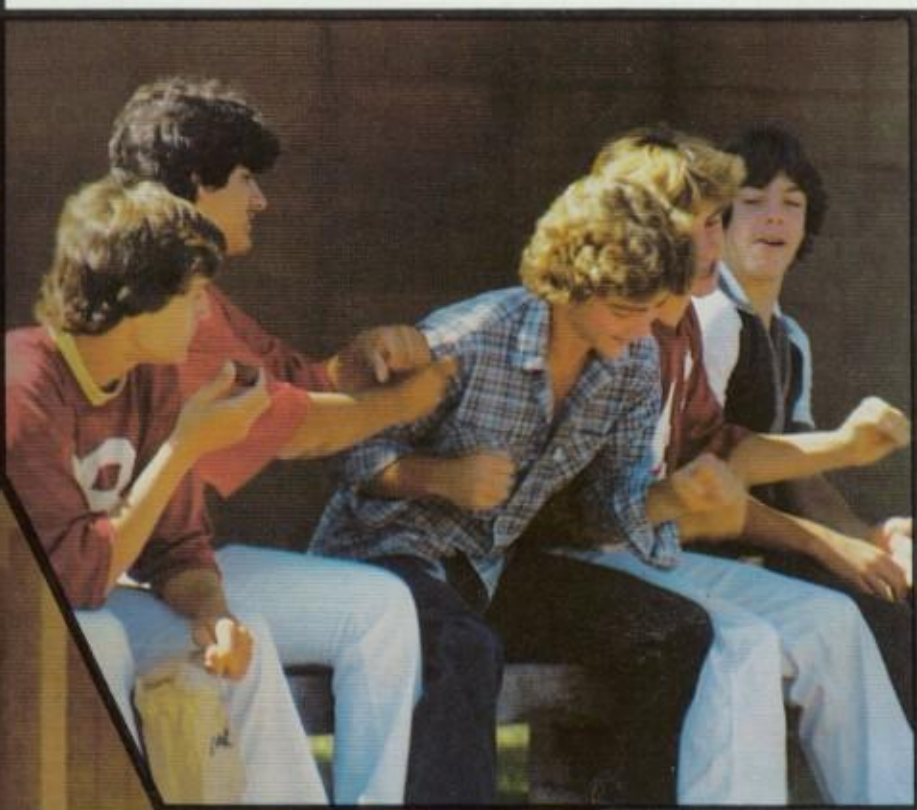

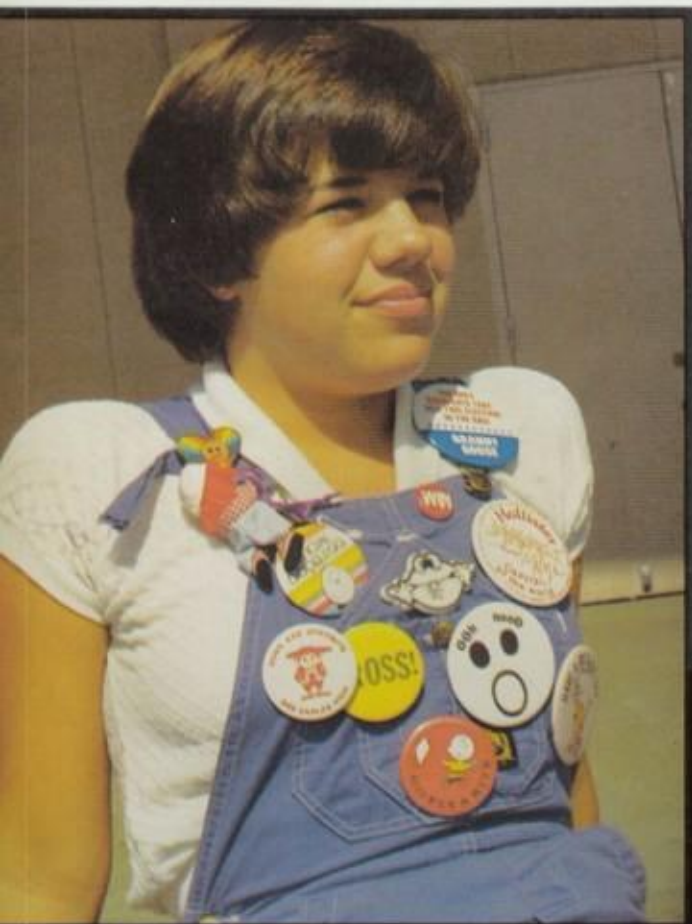

Therefore, every single person has the capacity to become a very special part of the human race.

Yes, everyone . . . can be a star.

And for all those who are brave enough to become individuals, I have a thought... A STAR IS BORN!

-Lynelle Hanson

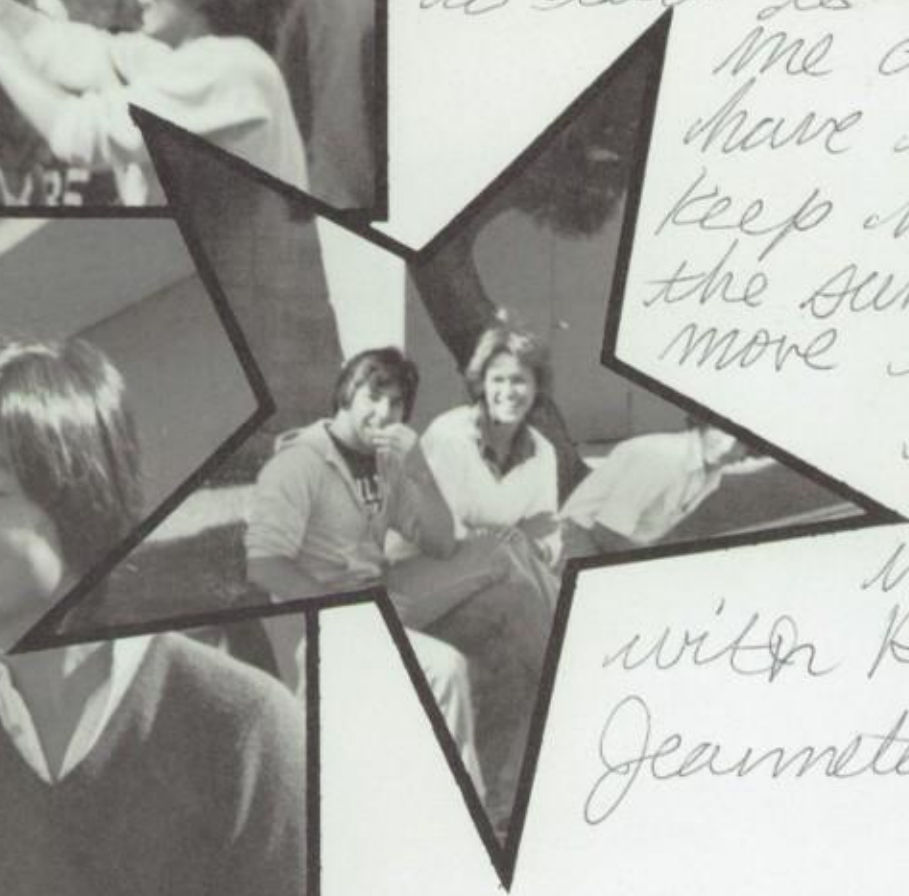

WE NEVER REALLY GOT TOO CLOSE BUT I THINK I KNOW YOU WELL ENOUGH TO KNOW YOU'RE A VERY NICE, SENSITIVE PERSON. I'M SORRY FOR ALL THE SHIT YOU'VE BEEN GIVEN BECAUSE OF YOUR BOYFRIEND. I DON'T THINK MAYBE WAS THE RIGHT TO TELL A CREATOR BESIDES JANICE. I'M SORRY FOR ANYTHING I EVER SAID. I DON'T SAY MUCH AFTER I OPENED MY MOUTH I REALIZED I WAS IN THE MIDDLE & SHUT IT UP AGAIN. TAKE CARE. GOOD LUCK. LOVE, TRINA (15) SMILE

We depend entirely on other men;
on those who live with us and above
all on those who have preceded us.
Society is composed of the dead as
well as the living. Robinson Crusoe
would not have survived without the
help of the tools and the weapons he
found. Even in his solitude, he bene-
fited from the efforts of other men.
-Alexis Carrel

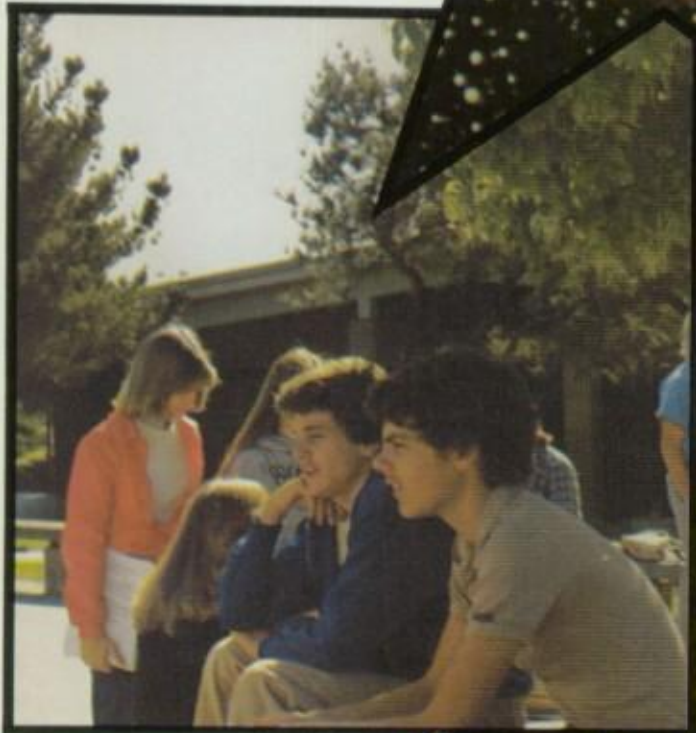

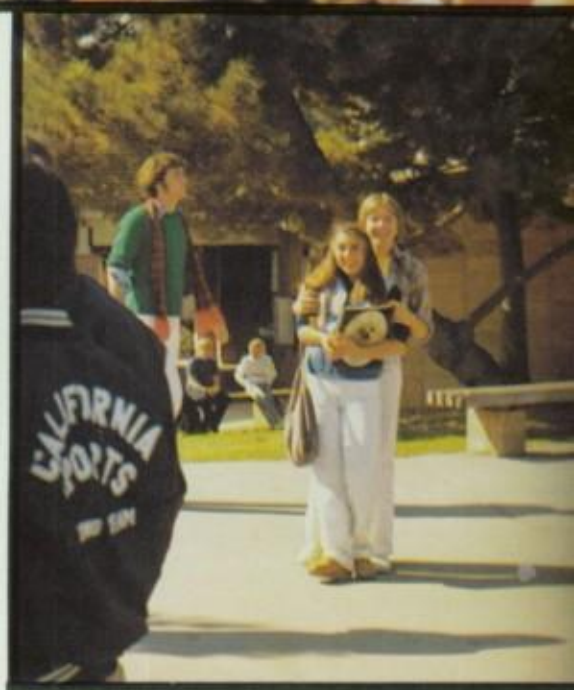

Cathy: I want to say that I'm really sorry about everything that has happened between you and Janis. I wish that everyone could still be friends like we used to. Despite what's happened, I

still think of you as a good friend. We have had a lot of wild experiences together and the memories I will never forget. ~~then~~ If you ~~every~~ ever want someone to talk to call me. Call me anyway. We'll have to still try to keep in touch over the summer before I move to Chic.

Best of luck in the future & with Roger. Love Jeannette Ross (366-5032)

Kathi —

well I know you are glad to graduate from this place but why can't you take me with you? We've had some killer times, game reserve, Theresas, even Great America, that was fun. Al was to much of a wuss to go on the tidal wave! You and Roger make a excellent couple just like me + Al! To tell you the truth a much better couple than Janis and him. Don't tell any body I said that. Shit, summer is going to be killer. We will be wasted all the time. Call me 368-3192 Love always

Everyone is a star, today and tomorrow. For we, the students of San Carlos High, make up the galaxy of hidden stars and yet there is always one star that shines a little brighter than the rest . . . you. As you have just read these past pages of memories, laughs, tears, and smiles from your friends, remember that each one of us is unique in a very special way, but each one of us is also part of a group. We each add our own ideas to the group and learn to accept those of others.

EVERYONE'S A STAR

Nothing
shit, where
should I start!
Well, the most important
part of our senior year
is Big Rog & Rico - Kinky!
We've had 4 killer times with them
Bills Hot Tub - (FUN TIMES) to
Ball - cocaine in the Brain, to
house + Doug's bed! SOM F & Rico's
and the two of us last for a long time with
them have as friends! We are a killer foursome!
Vagina, Buenos Aires, or the other way around. SHROOMS - Hasta
game ning nowhere and all the other "blow it" incidents they
Rico would we do without them. "69" Welp, I'm dumb
what surprised we made it these 4 years. Hopefully I'll graduate.
Mrs. Andersons class HA Mrs. Allens P.E. class HA Bitch
Sex & Drugs & Rock n' Roll - the famous saying, and
the best. This summer, we are going to have to go to
Santa Cruz again sometime, and also go to Bills son
we can sit & drink in the hot tub, and get
shitty. Grad night should be fun - Hopefully
we can get shrooms. Just want you to
know, If you ever want a girlfriend
and would rather live with a girl friend
instead of Roger, we could have a killer
time + Rock & Roll! a great time with
Friends forever, we could have sex
of us - Getting married - No
not yet! But anyway
Friends forever.
see ya w
